The Information Educational Freedom Collects and Receives

We collect contact information.

When you submit an inquiry through the Site, we collect your name, email address, and phone number if provided, along with general information about the nature of your inquiry. When you create an account through the Site, we will also collect your username, password, mailing address, and other information related to providing you services through the Site.

We collect payment information from customers. If you make a purchase with us, we (Or our business partner(s) who process payment transactions for us) may collect your billing or other financial information in order to process the transaction(s). Please note that for security we do not store sensitive cardholder data, such as full credit or debit card numbers or card authentication data.

We collect information you submit or otherwise provide or authorize us to collect. We collect the information you post on our Site. This includes comments, reviews, documents, questions, chats, messages, assessments, videos, or photos. Such shared content may be publicly viewable by others depending on where it is posted, shared, or viewed. We also collect any other information you may provide to us or authorize us to collect, including any other identifier that permits the ability to contact you. If you communicate with www.educationalfreedom.net by e-mail; post messages to forums; make telephone or cell phone calls or texts; communicate through electronic devices or other interactive devices; complete online forms, any information provided in such communication may be collected by Educational Freedom.

We collect information about third parties that you provide to us. A User may also provide personally identifiable information about others, such as emergency contact information for notification in the event a situation requires it. If you choose to use our referral service to refer a friend to our Site, then you may provide your referral's name and email address, as further detailed in the Refer-A-Friend section below. If you submit any personal information about another individual to us, then you are responsible for making sure that you have the authority to do so and to allow us to use their personal information in accordance with this Privacy Policy.

We collect information through surveys, testimonials, comments, reviews, and blogs.

You may decide to participate in a survey, to provide a review, to provide a testimonial, to comment on a blog or social media post, etc. If you decide to participate or comment, then you may provide certain information that may include personal information. In addition, we may post customer testimonials/comments/reviews on our Site that may contain personally identifiable information; however, if/when that happens, we obtain the person's consent via email or other means prior to posting the testimonial, which authorizes us to post certain information along with their testimonial. We may invite you to complete a survey or participate in a promotion, either through the Site or through a third-party platform. If you participate, we will collect and store the data you provide as part of participating. That data is subject to this Privacy Policy unless otherwise stated in the official rules of the promotion or survey, including notifying winners and distributing rewards. Where we use a third-party platform to administer a survey or promotion, the third party's privacy policy will apply.

We collect internet and electronic network activity information, such as device and usage information. We may collect information about your browser type, language preference, referring site, subsequent site, and date/time of each visitor request. The purpose in collecting non-personally identifying information is to better understand how Users use the Site. We may collect information about your operating system, Internet Service provider information and IP addresses and other device identifiers, such as mobile device information. In addition, we may collect information about your use of the Site, unique views, originating sites, etc., including through the use of tracking technologies (See section pertaining to Tracking Technologies for more information). A User browsing the Site without registering an account or affirmatively providing personally identifiable information to Educational Freedom does so anonymously. We collect analytics information. We use certain third-party services to assist us in analysis, auditing, research, and reporting regarding the Site. These third parties may use web logs or web beacons, and they may set and access cookies on your computer or other device. In particular, we use Wix Analytics to help collect and analyze certain information for the purposes discussed in this Policy.

How Educational Freedom Uses Information

Educational Freedom may use personally identifiable information collected through the Site for the following reasons:

- for the specific purposes for which the information was collected;
- to fulfill a contractual obligation;
- to maintain and improve its products, services, and sites;
- to provide support;
- to enhance Users' experiences with Educational Freedom;
- to inform Users of offerings that may be of interest;
